

Guernsey FA

Safeguarding Reporting

Introduction

Anyone who has a concern about the welfare of a child or the behaviour of an adult towards a child or young person under 18 years of age in football, must refer it to The FA's safeguarding team. The team is staffed by professionals who are experienced in dealing with these concerns.

It is important to state that anything urgent, where there may be an immediate risk of harm to a child, must be reported to the police or children's social care in Guernsey.

Referring non-immediate risk of harm concerns can be done via a club, league or County FA Designated Safeguarding Officer (DSO).

Alternatively, The FA can be emailed directly at safeguarding@TheFA.com

If the club or County FA DSO cannot be contacted, call the Guernsey Multi-Agency Support Hub – 223182 or 222222 (for out of hours emergencies). If you believe a child or young person is in immediate danger, you should contact Guernsey Police on 999

Concerns that someone may be behaving inappropriately or seeking to groom a child in an online environment should be reported to Guernsey Police - 725111.

Victims of non-recent sexual abuse in football should contact the NSPCC or The FA at safeguarding@TheFA.com

If a child or young person is in immediate danger, the advice is ALWAYS to call 999.
